

Health & Safety Policy

Ovintiv™ Inc. recognizes that a robust health and safety culture contributes to growing shareholder value and that strong safety performance is both a foundational value and a common goal of Ovintiv's leadership and workforce. We believe occupational injuries and illnesses are preventable, and we strive for a workplace free of recognized hazards. This Health & Safety Policy articulates our commitment to a safe and healthy workplace where our workforce is empowered and expected to comply with the provisions of this policy.

Ovintiv will:

- comply with health and safety laws and regulations, requirements and industry standards applicable to our activities
- ensure all personnel working on an Ovintiv location have the authority, responsibility and support to stop work when an unsafe situation is recognized or suspected
- identify and assess health and safety hazards arising from our activities and adopt technically sound and economically practicable measures to eliminate or mitigate the potentially negative health and safety impacts associated with such activities
- ensure that our workforce understands that working safely is a condition of employment and that all workers are responsible for their own health and safety as well as the health and safety of those around them
- expect our workforce to comply with our established health and safety practices and provide the tools and training for them to do so
- communicate to our workforce our expectations regarding health and safety performance and the necessity for adherence to these expectations
- ensure the competency of our workforce is verified and maintained in support of Ovintiv's health and safety programs, initiatives, performance and culture
- commit to the continual improvement of our safety programs by setting health and safety objectives and targets, and measure and monitor our performance through regular inspections, audits and investigation of incidents. Use these results to develop, communicate and implement appropriate corrective actions geared toward lasting improvement
- commit to safe and courteous driving by complying with the Driving Safety Program
- integrate health and safety stewardship into our business planning and decision-making processes
- commit to protect the health and safety of our workforce and the public
- commit to always doing what is right when it comes to the health and safety of our workforce and the

public; if it cannot be done safely it should not be done at all.

Ovintiv is committed to implementing this Health & Safety Policy through the active participation of our leadership and workforce, and through the integration of Ethos, our Operations Management System, into our day-to-day operations and decision-making processes.
